## **INDUCTEE CLASSIFICATIONS**

### **ATHLETE**

To be considered for admission to the Hall of Fame, athletes must have been a resident of Haliburton County for a minimum of five (5) years before or during their sporting accomplishments.

To be considered for admission to the Hall of Fame, athletes shall have been or be outstanding in their respective sport or have achieved better than average proficiency in a number of sports (even if not reaching the absolute top level in any one sport). The level 'outstanding' must be applicable to competition against peer athletes over a period of at least five (5) years or more.

Competition involves competing at local levels and going on to district, regional, provincial, national and/or international events. Competition at the High School, Junior, College, and University or Professional sports levels should be included. Distinction should be made on the nomination form as to the reason for the nomination. An athlete who is prominent locally over a long period of time should not necessarily be downgraded if they have limited success at a higher level or in the professional ranks. Conversely, an athlete who has limited success locally should not be downgraded if they have achieved top proficiency in a wider area whether this is at the amateur or professional level.

In selecting an athlete, the Committee shall consider the athlete's ability, level of success and accomplishment, sportsmanship and overall contribution to their sport(s) or teams.

### **BUILDER**

A builder shall include, but is not limited to, any coach, manager, trainer, game official, executive member, administrator or sponsor.

To be considered for admission to the Hall of Fame as a builder, the individual shall have worked in the sport(s) over a period of ten (10) years or more and shall have been considered outstanding, whether this be in the organization of leagues and facilities, keeping a team or league active or having a high degree of success in coaching or managing teams or individual athletes.

# **HALIBURTON HIGHLANDS SPORTS HALL OF FAME**

Work over a sustained period of time must have been of a consistently high level with respect to services provided or results achieved.

In selecting a builder the Committee shall consider the builder's character, sportsmanship and overall contribution to their sport(s), team(s) or league(s).

## **TEAMS**

A team shall include any team based in Haliburton County or any municipality within Haliburton County. Minor sports teams, High school teams, junior sports teams and adult sports teams competing at any level are eligible for admission to the Hall of Fame.

To be considered for admission to the Hall of Fame as a team, the team shall have achieved a high degree of success at the local, district and provincial level. Team success at the regional and particularly at the provincial levels are notable, however teams which have had a long period of success over many years at the local level should also be considered.

In selecting a team, the Committee shall consider the degree to which the team best represented excellence and sportsmanship while generating a high degree of community pride in the team's success.
